

**Run for Rescue
"Inspired by Spotty"**

February, 2012

Dear Friend:

Please take this opportunity to support the important work of Animals for Life, Inc. by becoming a Race Sponsor. Information outlining the various sponsor levels is enclosed.

Animals for Life, Inc. is a non-profit volunteer organization dedicated to furthering the well-being and quality of life for all animals with a focus on the rescue, rehabilitation, and adoptive placement of abused and abandoned domestic animals. Since 1996, we have rescued and placed more than 3,850 homeless and abandoned animals into permanent, loving homes.

This Spring, we are celebrating our 16th year with the ***Tenth Annual Run for Rescue Road Race, 'Inspired By Spotty'*** to be held on **April 28, 2012 at Quassy Amusement Park in Middlebury, CT**. The Race offers participants the option of running a two-mile race with their canine companion, going solo in a certified 5K or joining a two-mile walk. Registration has increased each year, and in 2012 we expect to welcome over 350 participants and their families. The day's festivities are open to all and will include demonstrations of canine training techniques, working dogs, pet-related vendors, a food concession and pet adoption.

We are extending an invitation to you to partner with us in presenting this event by becoming a Race sponsor. With a donation of \$2,500.00 or more you will be a Top Dog sponsor at the Four Paw level; \$1,000.00 or more, at the Three-Paw level; \$500.00 at the Two-Paw level or \$250.00 or more at the One-Paw level.

Your tax-deductible sponsorship will help us to continue to reach out and give hope to animals that are unwanted and forgotten. The difference that you can make in their lives is invaluable.

Please complete and return the enclosed sponsor registration form with your donation by March 15, 2012. We welcome your participation and look forward to hearing from you.

With Sincere Appreciation,

Ilse Gehrmann
Race Co-Director
Telephone (212) 403-3512
